

Join Releasing Potential as a Tutor – Make a Real Difference in Children’s Lives

At Releasing Potential, we don’t just teach – we transform lives.

We support children with **Education, Health, and Care Plans (EHCPs)** who face challenges linked to social, emotional, and mental health (SEMH). Every day brings opportunities to celebrate small wins that truly matter.

We are looking for **Tutors, Learning Support Assistants, and Support Workers** who are passionate about education and ready to make a real difference.

Why Work With Us

- **Small groups & 1:1 learning** – Tailored lessons that make education meaningful and accessible.
- **Hands-on, heart-led approach** – Every lesson inspires curiosity, confidence, and engagement.
- **Supportive team** – Share ideas, grow your skills and celebrate success together.
- **Real impact** – Watch small steps lead to big transformations in children’s lives.

The Role – Tutor

As a Tutor, you will:

- Deliver a flexible, engaging curriculum that sparks curiosity.
- Support children in **small groups or 1:1**, outside traditional classrooms.
- Build **trusting relationships**, showing students you care before you teach.
- Personalise lessons to meet individual needs.
- Use **Glasser’s Choice Theory** to help students balance survival, love & belonging, power, freedom, and fun.

What We’re Looking For

- A **valid UK driving licence** (essential).

- Understanding of SEMH, trauma-informed practice, and communication differences.
- Patience, empathy, and resilience.
- Creativity and curiosity – you’ll need both every day.
- SEN experience is welcome but not essential – **passion matters most**.

What We Offer

- **Full-time salary starting at £26,481** – real stability all year.
- **Generous pension scheme** with substantial contributions.
- **24/7 Employee Assistance Programme** for your wellbeing.
- **Ongoing training** and nationally recognised qualifications.
- A team that **supports you and celebrates your skills**.

Safeguarding Commitment

We take safeguarding seriously. All roles involve working directly with children and fall under the **Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975**.

This requires disclosure of any convictions, cautions, warnings, or bind-overs, including those considered “spent.”

Candidates will also undergo **enhanced DBS & barred list checks**, plus online and social media screening to help keep our young people safe.
